WPQ 32032 (2026) Hon Damien O'Connor – How many of the 230 overseas investment transactions granted consent by Land Information New Zealand (LINZ) in the 2025/26 financial year, with a combined gross investment value of approximately $23.8 billion as cited by Associate Finance Minister David Seymour on 14 July 2026, relate to (a) supermarket or grocery retail, (b) residential land, (c) farmland, (d) forestry, and (e) fishing quota, broken down by number of consents and gross value in each category?

Category	**Number of consents**	**Gross value**
Supermarket or Grocery Retail	1	Confidential
Includes residential land	43	$2,784,984,753
Includes farmland	22	$761,276,200
Existing forestry	28	$537,003,691
Fishing Quota	0	N/A
Farm to forestry conversions	3	$12,000,065

Note: Some applications may fall into more than one category e.g., may include both residential land and farm land.

Residential land excludes consents granted to an overseas person to buy a house for personal use.
