Number of grants and declines for Emergency Housing from 1 October 2025 to 30 November 2025
by Work and Income office and month

Notes:
This is a count of grants and declines. A client could have more than one grant or decline in a period.
Applications processed is the total number of granted and declined applications.
Work and Income office is based on where the recommending case manager for the application was based at the time of the grant.

Confidentiality notes:
To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
These data tables have had random rounding to base three applied to all cell counts in the table.
Random rounding does not round down to zero, a value of one or two will be rounded to three.
The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
The published counts will never differ by more than two counts.
