

WPQ 6413 (2024)**The total number of Reports of Concern (RoCs) made to Oranga Tamariki**

Note: Report of Concern counts don't represent incidents or individual concerns. Oranga Tamariki can, and does, receive multiple RoCs from different notifiers over the same incident

Due to the detail required, Oranga Tamariki has used a different data source that is slightly different to externally reported figures - the variation in the data is due to data updating over the weekends for month ends.

YJ/Other - "YJ" Denotes where the Tamariki/Rangatahi's social worker is attached to a Youth Justice site. "Other" denotes reports of concern received at the Contact Centre or Adoptions but not yet allocated to a site.
