

PQ 29052 (2023). Arena Williams to the Minister for Building and Construction:

Does the Minister intend to progress the policy of requiring “building materials and product systems that meet international standards equivalent to those of New Zealand to be approved here” as outlined in the National Party's 'Better Building and Construction' document, and if so, what advice, reports, briefings, aides-memoire, or any other documents has the Minister, or any member of their Office received during the week of 27 November 2023, on this by title and date?

ANSWER
