

PQ28268: How many applications for the Transition to Work Grant, if any, have been declined

PQ28269: How many individuals, if any, have accessed the Transition to Work Grant in each c

The number of hardship grants and declines for Transition to Work during the period 1 January to 31 March 2021, by quarter, MSD region, gender, and ethnicity

Table 1: The number of hardship grants and declines for Transition to Work during the period 1 January to 31 March 2021, by MSD region

Table 1 Notes:

This is a count of grants and declines. A client can have more than one grant or decline within a period. The region 'Other' represents those service centres that do not represent a geographic location such as a region.

Confidentiality Notes:

To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify individuals. These data tables have had random rounding to base three applied to all cell counts in the table.

Random Rounding does not round to zero. A value of one or two will be rounded to three.

The impact of applying random rounding is that columns and rows may not add exactly to the given total. The published counts will never differ by more than two counts.

Region	March 2021		June 2021		September 2021
	Grants	Declines	Grants	Declines	Grants
Northland	1,968	27	1,518	12	1,173
Auckland Metro	5,655	114	7,167	84	4,260
Waikato	2,589	27	2,736	21	2,292
Taranaki	1,221	15	1,290	18	1,053
Bay of Plenty	2,490	45	1,902	24	1,680
East Coast	2,388	18	1,491	9	1,320
Central	1,338	21	1,338	12	1,233
Wellington	1,896	27	1,818	21	1,320
Nelson	1,104	21	798	18	618
Canterbury	1,737	54	1,839	39	1,959
Southern	1,254	18	1,272	15	1,131
Other	8,946	309	7,029	294	4,866
Total	32,589	696	30,201	564	22,911

Table 2: The number of hardship grants and declines for Transition to Work during the period 1 January to 31 March 2021, by gender

Table 2 Notes:

This is a count of grants and declines. A client can have more than one grant or decline within a period. From 2 December 2019, The Ministry of Social Development has three options to record a client's or

Confidentiality Notes:

To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify individuals. These data tables have had random rounding to base three applied to all cell counts in the table. Random Rounding does not round to zero. A value of one or two will be rounded to three. The impact of applying random rounding is that columns and rows may not add exactly to the given totals. The published counts will never differ by more than two counts.

Gender	March 2021		June 2021		September 2021
	Grants	Declines	Grants	Declines	Grants
Gender Diverse	60	3	54	3	66
Female	15,429	303	14,025	249	10,872
Male	17,097	390	16,122	312	11,973
Total	32,589	696	30,201	564	22,911

Table 3: The number of hardship grants and declines for Transition to Work during the period 2020/21 by ethnicity

Table 3 Notes:

This is a count of grants and declines. A client can have more than one grant or decline within a period. Ethnicity data is self-identified and multiple ethnicities may be chosen by an individual as fits their profile. Total response ethnicity means that if a person identifies with more than one ethnic group, they are counted in all groups. Because a client can choose more than one ethnic response, the total number of ethnic responses will be greater than the total number of clients. 'Unknown' is where ethnicity is not recorded. 'Other' is where ethnicities fall outside the reported ethnicities.

Confidentiality Notes:

To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify individuals. These data tables have had random rounding to base three applied to all cell counts in the table. Random Rounding does not round to zero. A value of one or two will be rounded to three. The impact of applying random rounding is that columns and rows may not add exactly to the given totals. The published counts will never differ by more than two counts.
