Caveats
Data is as at 23-October-2025 for the reporting year 2025 and has been sourced through administrative data held by the Tertiary Education Commission (TEC).
Data relates to the following funding sources: -Youth Guarantee -Delivery at Levels 1 and 2 on the NZQCF (DQ1-2) For Youth Guarantee funding, only commitments at Levels 1 and 2 on the NZQCF are included.

The TEC does not collect information on the number of available learner places. The TEC funds on Equivalent Full Time Students (EFTS). The relationship between EFTS and learner places is not linear.

Regions are based on Statistics New Zealand 2006 region definitions. For learners enrolled in provider-based study SDR, the region is based on where the course was delivered.

This data has been compiled specifically to respond to this question. It uses administrative data collected by the Tertiary Education Commission for the purposes of funding tertiary education and relies on the accuracy of data reported by TEOs. Care should be taken when making comparisons with data collected or compiled for other purposes.
