Notes for Table 1:

- All applications relating to tenancy are filed with the Ministry of Business Innovation and Employment (MBIE). If mediation between parties is unsuccessful, the application is then referred to the Tenancy Tribunal.
- Applications are included based on the date the application was filed.
- This data includes applications to the Tenancy Tribunal made by tenants only.
- For each calendar year, Q1 represents January to March, Q2 represents April to June, Q3 represents July to September, Q4 represents October to December.
