Notes:

- Hardship grants include: Special Needs Grants (SNG), Advances (ADV), and Recoverable Assistance Payments (RAP).
- A client can receive more than one type of hardship grant during a period.
- Territorial Local Authority is based on the client's address recorded by the Ministry of Social Development at the time period.
- Un-geocoded address records that are unable to be matched to a Territorial Local Authority through suburb and city details have an unknown Territorial Local Authority.
- To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table.
- Random Rounding does not round to zero. A value of one or two will be rounded to three.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals.
- The published counts will never differ by more than two counts.
