

WPQ 14135 (2026)

Appendix one: Composition of Corrections' vehicle fleet, by fuel type in percentage terms, as at 30 June each year from 2020 to 2025

Table notes:

- The data in this table is provided to the best of our ability and is approximate only as Corrections has moved to a new system for our vehicle fleet. We are therefore providing the information available within the timeframe allowed for providing an answer.
- This table excludes plant and equipment assets.
- This table excludes data for Auckland South Corrections Facility (ASCF), which is privately managed.
