Data extracted 11/12/2024

Note:

Waitakere Hospital & North Shore: Information is cancellations on the day only.

Starship & Auckland City Hospital: The timeframe of the data requested aligns with the migration of a new patient management system. While this migration is underway, Health New Zealand is unable to provide data for this period.

Middlemore: Cancellations include patient reasons (e.g. not wanting or needing surgery any longer).

Data counts fewer than 5 will be presented as <5 to protect an individual's identity.
