

Table 1: The number of cases that have had jury trials conducted in the High Court by financial year, from 1 July 2019 to 30 June 2024

	2019/2020	2020/2021	2021/2022	2022/2023	2023/2024
High Court	67	74	63	75	72

Notes for Table 1:

- This data counts the number of jury trial cases with a disposed outcome.
- A case is counted if guilt or another outcome was established on the hearing date or during the hearing. For example, A guilty plea, Heard - Found not guilty or Mistrial.
- Year is based on the date guilt, or another outcome occurred.
- Financial years start 1 July and end on 30 June.
- Statistics are based on the Case Management System as at 25 July 2024. Since this is an operational system, data for earlier months may have been updated since any previous publication.
