

44215 - How many potholes were repaired in June 2024, broken down by day?

| Date        | Count |
|-------------|-------|
| 03/06/2024  | 1     |
| 04/06/2024  | 154   |
| 05/06/2024  | 134   |
| 06/06/2024  | 116   |
| 07/06/2024  | 109   |
| 10/06/2024  | 155   |
| 11/06/2024  | 165   |
| 12/06/2024  | 148   |
| 13/06/2024  | 133   |
| 14/06/2024  | 122   |
| 15/06/2024  | 17    |
| 16/06/2024  | 10    |
| 17/06/2024  | 376   |
| 18/06/2024  | 170   |
| 19/06/2024  | 235   |
| 20/06/2024  | 271   |
| 21/06/2024  | 249   |
| 22/06/2024  | 1     |
| 23/06/2024  | 4     |
| 24/06/2024  | 305   |
| 25/06/2024  | 215   |
| 26/06/2024  | 166   |
| 27/06/2024  | 247   |
| 28/06/2024  | 45    |
| 29/06/2024  | 59    |
| Grand Total | 3607  |

Please note the following concerning the data contained in this response:

- Each item counted represents a single pothole repair attendance. An attendance would typically relate to a single pothole but may represent multiple potholes if they exist in very close proximity.
- This data includes all reworks (e.g. potholes that may have required multiple repairs).
- Figures for previous periods can change if contractors correct transactions retrospectively. Any such changes are minor and not material to the overall result.
